

**MW1**

10 squares across, each square 3" X 3"  
panels are 30" wide by 10' in length  
(76.20 cm wide x 3.04 mtr in length)

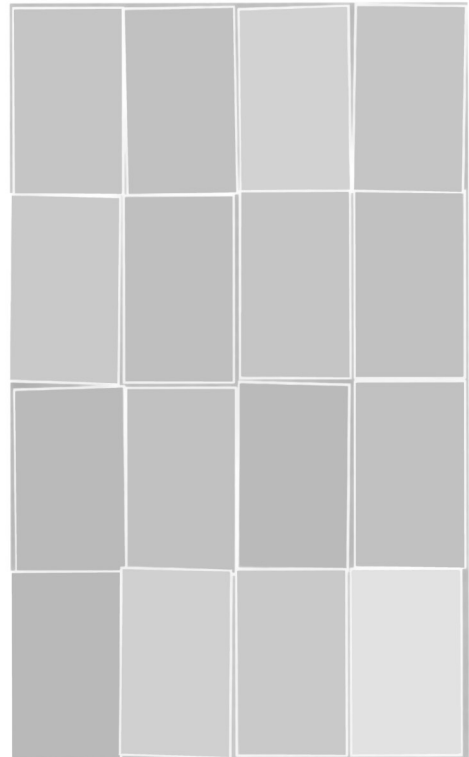

**MW2**

random  
panels are 30" wide by 10' in length  
(76.20 cm wide x 3.04 mtr in length)  
Note: This pattern will not side match.

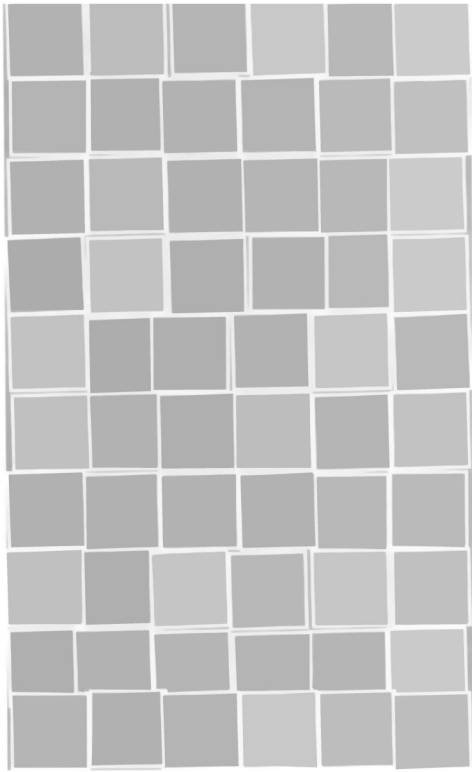

**MW3**

3 squares across, each square 10" X 10"  
panels are 30" wide by 10' in length  
(76.20 cm wide x 3.04 mtr in length)

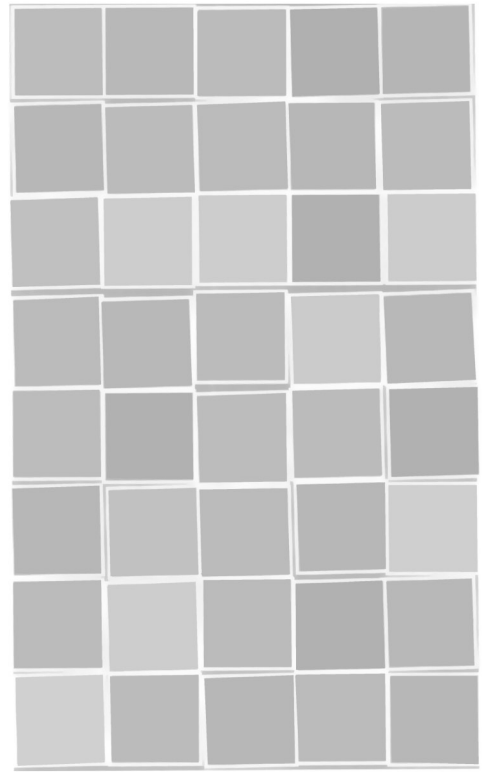

**MW4**

4 rectangle across, each rectangle 7-1/2" X 12"  
panels are 30" wide by 10' in length  
(76.20 cm wide x 3.04 mtr in length)

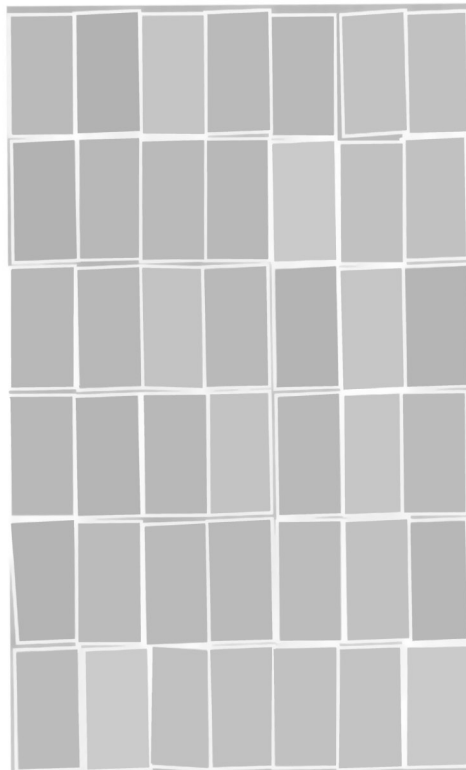

**MW5**

6 squares across, each square 5" X 5"  
panels are 30" wide by 10' in length  
(76.20 cm wide x 3.04 mtr in length)

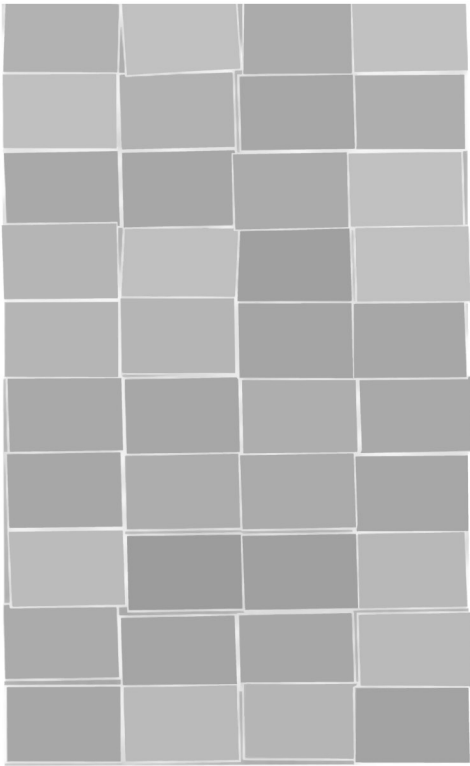

**MW6**

5 squares across, each square 6" X 6"  
panels are 30" wide by 10' in length  
(76.20 cm wide x 3.04 mtr in length)

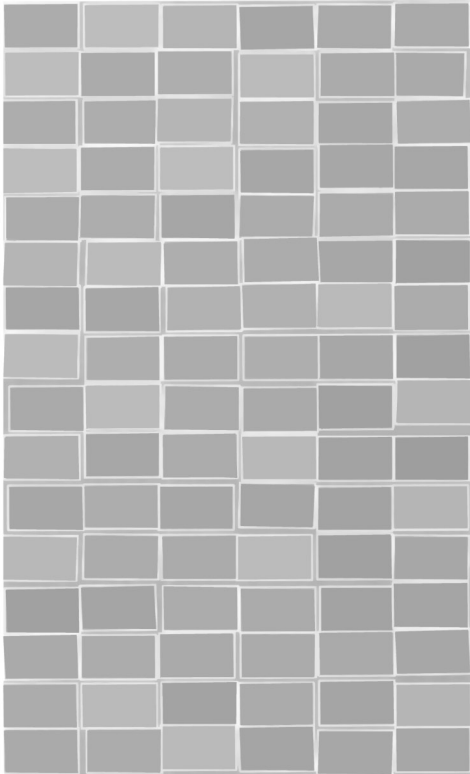

**MW7**

7 rectangles across, each rectangle 8" X 4-1/4"  
panels are 30" wide by 10' in length  
(76.20 cm wide x 3.04 mtr in length)

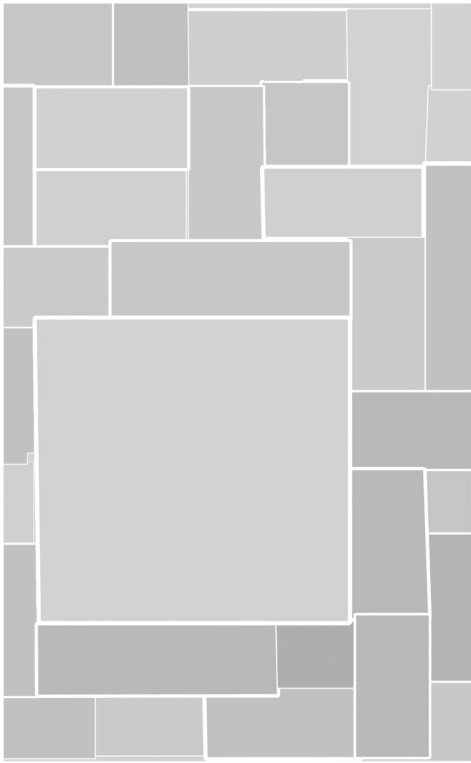

### MW8

4 rectangles across, each rectangle 5" X 7-1/2"  
panels are 30" wide by 10' in length  
(76.20 cm wide x 3.04 mtr in length)

### MW9

6 rectangles across, each rectangle 3" X 5"  
panels are 30" wide by 10' in length  
(76.20 cm wide x 3.04 mtr in length)

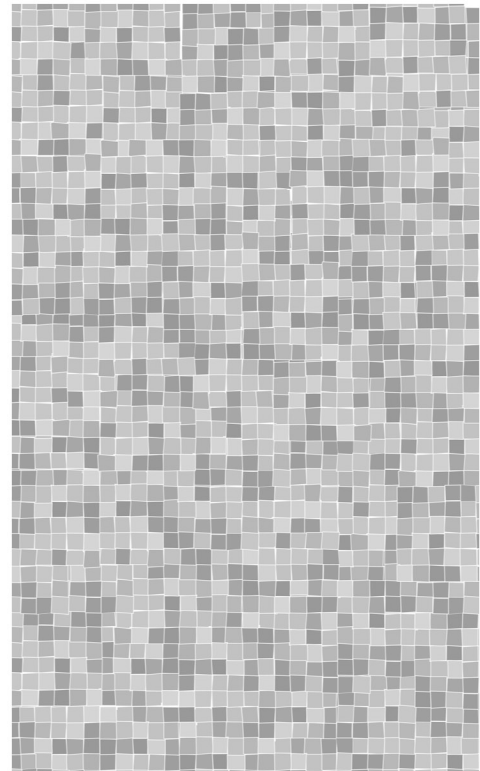

### MW13

Large Random

panels are 30" wide by 10' in length  
(76.20 cm wide x 3.04 mtr in length)

Note: This pattern will not side match.

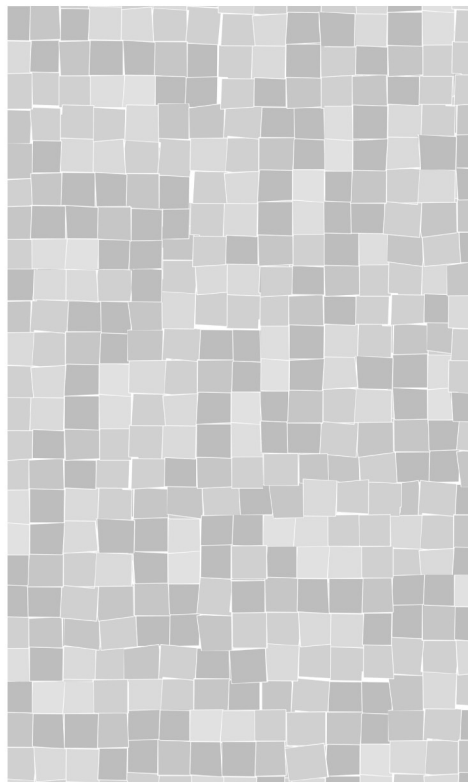

### MW14

30 squares across, each square 1" X 1"  
panels are 30" wide by 10' in length  
(76.20 cm wide x 3.04 mtr in length)

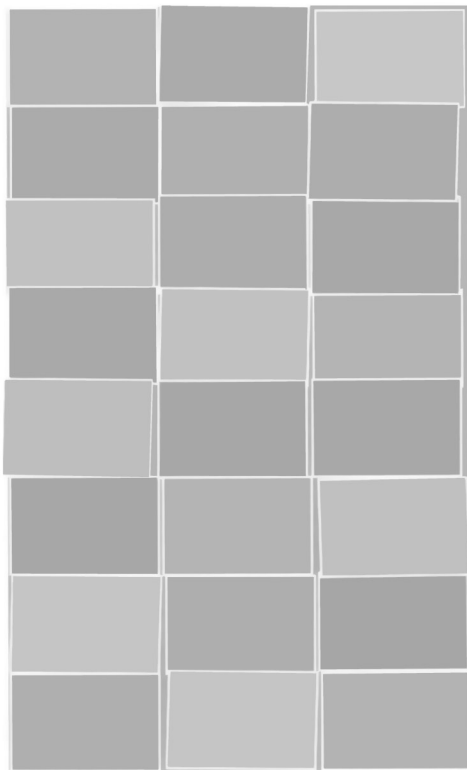

Note: These are  
artist's drawing and color  
shading interpretation of the  
products. The drawings are  
provided primarily for scale of  
pattern and layout. A sample  
of MW14 is included, and  
all patterns have identical  
coloring. Samples are  
sent upon request.
